

# Sharp Kids

musical fun for your little one

Our *#Sharp Kids* classes are a fun and lively introduction to music, in preparation for the learning of the piano and other musical instruments. Suitable for 3 to 6 year olds, this training incorporating the *Kodaly* method, will begin to develop beat, rhythm, pitch and aural awareness, developing a real love for music and laying the best musical foundations for the future! Based around songs and games, this is a wonderful and fun introduction for your child, who is not *quite* ready to start an instrument but wants to get started!
